

Inauguration of Mushroom Production Unit developed under NAHEP by Dr. R.C. Agrawal, DDG (Edu) and ND, NAHEP on 27.06.2023

Existing Mushroom Production Unit in Department of Plant Pathology has been renovated and developed recently under National Agriculture Higher Education Project and was inaugurated by Dr. R.C. Agrawal, Deputy Director General, Indian Council of Agricultural Research (Edu.) and National Director, NAHEP on 27.6.2023 during his visit to Birsa Agricultural University. Dr. O.N. Singh, Vice-Chancellor, Dr. P.K. Singh, Director Research, Dr. M.S. Malik, Principal Investigator, NAHEP and Dean, Forestry, Dr. Sushil Prasad, Director Administration and Dean, Veterinary and Animal Husbandry, Dr. N. Kudada, Registrar and Head, Department of Plant Pathology, Dr. J. Oraon, Director Extension, Dr. N.K Gupta, Dean Post Graduate Studies, Er. D.K Rusia, Associate Dean, College of Agricultural Engineering along with Dr. H.C. Lal and Dr. M.K. Barnwal, Department of Plant Pathology were present on this occasion.

This unit is an important facilitative unit developed under NAHEP and is serving as a centre for Training and Research on mushroom. A number of Post Graduate and Ph.D. students are getting benefitted by it since its inauguration. The unit has now started production of excellent high-quality Button Mushroom. It is regularly visited by Dr. M.S. Malik, Principal Investigator, NAHEP and other scientists.
